

From Oblivion to Memory (FOM)

First Annual Report

2025

Steering Committee

Date of Incorporation: November 18, 2025

Introduction

This year marks the founding of From Oblivion to Memory (FOM)—an organization born out of a shared commitment to remembrance, connection, and historical preservation. Our work began following the descendants’ gathering on the island of Asinara in August 2025.

Founding and Incorporation

On the final day of the Asinara gathering, participants agreed to formalize this emerging community. In fulfillment of that commitment, FOM was incorporated on November 18, 2025.

Early Fundraising

Following incorporation, FOM launched its first fundraising effort and raised \$3,000 to support startup costs.

Looking Ahead

Although 2025 was brief, it established a strong foundation for future growth and programming.

Closing

We extend our gratitude to all who supported our founding and mission.
